SJSU'S OFFICIAL MASCOT
IS THE SPARTAN

Welcome

Congratulations on your admission! We are excited to welcome you to San José State University, the founding campus of the California State University (CSU) system. Please know you still have steps to take to stay admitted and officially enroll for Spring 2019, which are outlined in this guide.

Stay Committed to the Process

There are consequences if you miss deadlines. Deadlines are very important and are in place to help you through the enrollment process. You risk having your admission withdrawn if you do not meet our deadlines and maintain your eligibility. To prevent this from happening, sign in to your MySJSU student account every few days and thoroughly read any messages, "To Do List" items or posted deadlines and take the requested action as soon as possible.

Although the steps are presented in numerical order, keep in mind that you may not necessarily complete all of these steps in the order that they are presented. Refer to your MySJSU student account for specific deadlines and tasks that need to be completed to ensure your enrollment.

7

Register for Classes

You will register for classes in your MySJSU student account once you get a registration (enrollment) appointment.

Registration Appointments

To receive a registration appointment, you must do the following:

- Submit official transcripts by the date posted on your MySJSU “To Do List”
- Show via official transcripts that you have completed the four basic skills course requirements, CSU eligibility and major impaction requirements

Registering for Courses

Sign in to MySJSU, navigate to Self Service > Enrollment > Enrollment Dates, then select a term to view your start date/time for your Enrollment. The SJSU Schedule of Classes has the specific class number codes and section numbers you’ll need to register.

For instructions on how to register for classes, visit http://my.sjsu.edu/students/student_tutorials

Registration Holds

If you have a registration hold, click the hold icon and read this information carefully. If you do not have a hold, you may begin to register at your appointment time. (You do not need to come in person or call us to register.)

Late Registration

After the initial registration period (Advance Registration) ends, you may still register, but not until Jan. 24, the first day of instruction. Late registrants are assessed a \$25.00 late fee. Late registration is dependent on the space available. Getting the classes you want may be very difficult.

What will I need to register for classes?

- A file of your SJSU admission information, including admission letters, grade reports, copies of transcripts from other schools, placement test scores, and everything related to your enrollment.
- Attend all segments of the mandatory orientation.
- Schedule of Classes <http://info.sjsu.edu>
- The SJSU Catalog for descriptions of classes, major and minor requirements, available at <http://info.sjsu.edu/home/catalog.html>

Register for Classes

Once I've registered, can I change my schedule?

If work or family obligations require you to change your schedule, you may re-enter the system to make changes before the last day to drop and the last day to add. See registration calendar at sjsu.edu/registrar/calendar

Important note: before dropping any class(es) from your schedule to enroll in a different class, be sure you can successfully add the other course(s). Classes at SJSU fill up quickly. If a course you want is full, search for open sections using the registration system. Or, place yourself on the class waitlist. You are not guaranteed admission into waitlisted courses.

Can I still get academic advising in Academic Advising and Retention Services if my transcripts have not been fully evaluated?

Yes. The advisors will advise you on general university expectations and graduation requirements including general education course requirements. However, once you get your transcript fully evaluated by Admissions, you must meet with an Academic Advisor again to re-examine your general education checklist and progress toward degree completion because changes to your academic plan may have to be made.

This is essential if you plan to graduate in a timely manner. Call AARS at 408-924-2129 to make an appointment after the third week of the semester.

All transcripts must be sealed and unopened to be accepted as official documents. PLEASE NOTE: COPIES OF TRANSCRIPTS OR OPENED TRANSCRIPTS WILL NOT BE ACCEPTED. Pay Your Tuition and Fees

sjsu.edu/bursar

Fees are due after registering for your classes. To see your payment due date, check your MySJSU account under the “Finances” section. You have the option to pay in full or sign up for a payment plan. For details, visit sjsu.edu/bursar

Estimates of average expenses (international student) for a nine-month academic year are:

Summary for one academic year	Undergraduate
Minimum semester units:	12 units/semester
Tuition Fees	\$17,225*
Living Expenses	\$21,974
Total (required for Declaration of Finance)	\$39,199

*Amount is based on full-time attendance (12 units per semester) for a nine-month academic year.

Fees Are Subject to Change

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

Financing Your Education

Please note that international students are not eligible for financial aid at SJSU and that off-campus work authorization in the United States is difficult to obtain. For more information on scholarships, please visit the financial aid office sjsu.edu/faso/Scholarships/International_Students

Fee Payment Deadlines

After you register, sign in to your MySJSU account to view the amount you owe and your payment due date. SJSU does not send invoices to students. It is your responsibility to check your MySJSU account to keep current with your account. Failure to pay by the deadline will result in your classes being dropped. For more information about payment methods, including international wire transfer, fees and payment due dates visit sjsu.edu/bursar

If a Third Party Sponsor, such as a foreign government agency, a business and/or educational institution, agrees to sponsor you by paying your tuition and fees, please get an authorization letter from the sponsor stating how much of your tuition they will cover and for which semesters. Submit the authorization to SJSU’s Bursar’s Office, attention: Third Party Technician and retain a copy of the letter for your records. The Bursar’s Office will invoice the sponsor as appropriate for tuition and fees after the add/drop period as long as the sponsored student is registered and has submitted a current letter of authorization. Learn more at sjsu.edu/bursar/services/sponsors/3rd_party/index.html

Installment Payments

For payment plan options visit sjsu.edu/bursar/payment_refunds/installments/index.html There are two installment plans, one for tuition and fees and one for on-campus housing. There are enrollment fees to participate. Please note: Students are not able to sign-up for the payment plan until charges actually appear on their account, either tuition and fees, or housing charges. Payment plans will be available only when tuition and fee and/or housing charges appear on the student account.

International Wire Transfers

International students can now make payments via international wire transfer. San José State University has partnered with Flywire to streamline the tuition payment process for our international students. Flywire offers excellent foreign exchange rates, allowing you to pay in your home currency (in most cases) and save a significant amount of money, compared to traditional banks. You will be able to track the progress of your payment throughout the transfer process via a student dashboard, and you will also be notified via email when your payment is received by San José State.

There is no fee charged by SJSU or Flywire for international wire transfers. The bank you use to send the wire transfer usually charges a fee, so check with that bank for the fee schedule. Learn more at sjsu.edu/bursar/payment_refunds/methods/international_wire_transfer. You may also pay using an international credit card through Flywire.

Field Trip Fees

A few courses have additional field trip fees ranging from \$11.00 to \$52.00.

Special or Optional Fees

Parking permits are available for students. A daily one-semester parking permit is estimated at \$192.00.

Refunds

Students are highly encouraged to enroll in Direct Deposit. With Direct Deposit, you receive your refund several days quicker than a paper check. To enroll, login to MySJSU, scroll to Finances, and select Enroll in Direct Deposit. To learn more visit sjsu.edu/bursar

Bookstore Charges

Registered students can charge books and supplies to their SJSU student account. For more details visit sjsu.edu/bursar/services

Keeping Your MySJSU Account Current

SJSU has established a business practice whereby all payments apply to the oldest debt on your account. For example, if you are making a registration payment and you have a housing debt with an earlier due date, the payment will apply to the housing charges first. Keep your account current to avoid the possibility of enrollment cancellation.

Any delinquent outstanding charges owed to the university will be submitted to the Franchise Tax Board for tax refund offset. The university or its agent has the right to pursue collections in order to repay a delinquent debt owed to the university.

Student Responsibilities and Rights

As members of the academic community, students accept both the rights and responsibilities incumbent upon all members of the institution (S90–5). Students are encouraged to consult the Student Responsibilities and Rights (<http://info.sjsu.edu/web-dbgen/narr/static/catalog/student-rights.html>) section of the SJSU Catalog to ensure an understanding of the resources, requirements, and programs designed to support students' academic and personal growth, as well as review important university policies and procedures (<http://info.sjsu.edu/static/catalog/policies.html>) every student at SJSU is responsible for knowing and upholding.

Student Code of Conduct

Members of SJSU are expected to uphold the community standards and demonstrate academic integrity, accountability for one's actions, respect for oneself and one's community, and personal development. It is, therefore, important that students familiarize themselves with the Student Conduct Code and Academic Integrity Policy for which they are accountable. This information can be found in the SJSU university catalog, schedule of classes, at sjsu.edu/studentconduct/policies

Prepare for Customs and Immigration at Airport

Please expect this process to be a lengthy experience and prepare in advance. You must keep the following documents in your carry-on luggage so you are able to present them to a Customs and Border Patrol officer:

- Passport, valid for at least six months after the date of entry
- F-1 visa stamp, valid at the time of entry*
- Valid Form I-20
- Proof of financial support and resources reflected on Form I-20 – See more details
- Tuition and/or Housing receipt(s), if you have already made payments prior to your arrival
- SEVIS fee receipt

*Canadian citizens are not required to apply for a visa to enter the U.S. as an F-1, but must still pay the SEVIS Fee and present their Form I-20 at the U.S. port of entry.
