BACHELOR OF ARTS in ENVIRONMENTAL STUDIES, PREPARATION FOR TEACHING (120 units) ADVISING SHEET

Welcome to the Department of Environmental Studies!

Your Bachelor's degree in Environmental Studies will provide you with the interdisciplinary training in the natural sciences, social sciences and humanities that you need to be an effective environmentalist, a broad thinker, and a well-trained professional.

This Bachelor of Arts, Preparation for Teaching degree has been approved by the State of California for waiver of the CSET exam. Students completing this program are eligible to apply for the Multiple Subjects Teaching Credential program for grades K-8.

We hope you will find this advising sheet useful in successfully achieving your Bachelor's degree. Be sure to visit your department advisor every semester, and copy this form for your records and for your advisor.

And remember to enjoy learning... your college degree will open many new paths for you. We want to help make it one of the best times of your life.
