Please Note:
During the 2011/12 Academic Year, SJSU enrolled resident students at levels that significantly exceeded available resources and the assigned enrollment targets. This significantly impacted students’ ability to obtain the courses they needed, which impacted overall retention rates for the Fall 2011 cohort.

Impaction information can be found at: http://www.sjsu.edu/publicaffairs/docs/San%20Jose%202013-14%20Impaction%20Proposal.pdf
