Subject: October 5th class notes

Correction

Dr. Harris: These are my course notes form the October 5 class:

1 The . Matrimonial Causes Act of 1857 gave women the right to divorce without an act of parliament and women can keep their earnings while legally separated.

2 The Custody of infants act passed in 1839 gave woman the right to custody of their children.

3. Condon school of medicine granted medical degrees to women in 1874

4. Terms:

Fallen Woman
Allusions
Romantic Love

5. Shift in narration to a love story in book 5. The novel is written in the current moment rather than in the past.
