

Research Essay Conferences

Bring your latest draft and your research to our meeting. Note that once you sign up for a meeting, you are obligated to attend. (If you need to change meeting times, switch with a classmate.) Failure to attend the meeting or to appear without your draft will result in a full letter grade penalty on this final essay.

For your 15 minute meeting, please prepare any questions, concerns, dilemmas that you are experiencing in writing this final research essay. We will focus on those areas that you identify rather than reading through your entire draft.
