

San José State University / Moss Landing Marine Labs
Moss Landing, California
ANNOUNCEMENT OF POSITION AVAILABILITY
Subject to Budgetary Approval

Job Opening Identification Number (JOID): 14019

Rank:

Full/Part-time Temporary Academic Year Visiting Position in Marine Science at the Assistant, Associate, or Full Professor rank.

Qualifications:

Applicants should be scientists in good standing and have research interests (to be pursued independently or in cooperation with specific faculty member) that are of overall interest to the MLML faculty and student body. Priority consideration will be afforded applicants from consortium campus faculties. In lieu of research, the applicant may propose teaching courses generally not offered at MLML but that would be of value to the MLML student body. A Ph.D. is required. Applicants should have awareness of and sensitivity to the educational goals of a multicultural population as might have been gained in cross-cultural study, training, teaching and other comparable experience. Applicants are encouraged to contact appropriate MLML faculty members to discuss possible participation at the Labs.

Responsibilities:

Responsibilities include ability to teach effectively and perform research in the applicant's area of expertise. Candidate will be expected to coordinate the weekly seminar series with assistance from the faculty and students. Candidate must address the needs of a student population of great diversity – in age, cultural background, ethnicity, primary language and academic preparation – through course materials, teaching strategies and advisement. Candidates should have proven record of peer-reviewed research publications.

Salary Range:

Commensurate with qualifications and experience according to the [SJSU faculty pay scale](http://www.sjsu.edu/facultyaffairs/) (<http://www.sjsu.edu/facultyaffairs/>) subject to available funding. Salary may be supplemented by grant activity.

Starting Date:

Position appointment is effective beginning Fall 2011 semester (August 2011)

Eligibility:

Employment is contingent upon proof of eligibility to work in the United States. Faculty from consortium campuses (*see below*) will be given preference in selection.

Application Procedures:

For full consideration send a letter of application, curriculum vitae, statement of teaching interests / philosophy and research plans, professional goals and accomplishments, and contact information for at least three references to the address below **May 13, 2011**. Please include Job Opening Identification Number (JOID) on all correspondence. For more information please see the [Moss Landing Marine Labs website](http://www.mlml.calstate.edu) (www.mlml.calstate.edu.) MLML will announce their selected candidate by **May 27, 2011**.
