## Scholarships

The Financial Aid and Scholarship Office administers three types of scholarships:

1. SJSU campus based
2. Department based
3. Private based.

Students should apply for as many scholarships as possible to lessen the need for loans or part-time work to attend school.

**SJSU Campus Based Scholarships**  
SJSU Spartan Scholarships are now available. Scholarship opportunities have various start dates and deadline dates. Check back regularly for new scholarship opportunities

**STEP 1:** Complete and SUBMIT the General Application. You may edit or update your application up until 11:59pm on the stated scholarship deadlines.

**STEP 2:** After submitting the General Application, you will be presented with a list of "Recommended scholarship opportunities." These scholarships may require additional information that is not included in the questions on the General Application. You are encouraged to click on each scholarship name to review the criteria. We encourage you to apply for all scholarships where you meet the additional requirements. There are some scholarship opportunities you do not have to apply to, but will be automatically matched to after you complete your General Application.
