CFS Data Warehouse Upgrade
Amy Chan
● Enhancements made to CFS Data Warehouse
● Go-live was March 15th
● New look
● Same function, dashboards, and pages (reports)
● Best news of all?
  ○ Users do not have to recreate customizations for their reports!!!
**New! Home Page Redesigned**

- Dashboard Tiles
- Message Center
New! Page Options icon is now a Gear

Old icon-

New icon-
Page Options menu displays users’ saved customizations and gives them the ability to save new and edit existing for their pages (reports)
New! From a Dashboard, a Page/Tab with multiple links will display each linked report in its own tab.
Tab for page displays. It will close when user exits from it.
Annoying issue! Access Prohibited message

- Happens when CFS Data Warehouse times out due to no activity
- Time out existed in old CFS DW, but this message is persistent in 12C

Solution: Close entire web browser or open a different one and log back into CFS DW

Onboarding Solution for Suppliers: Why this is great for our campus?

- Reduced steps for onboarding
- C&PS sends out the supplier invite for vendor creation!
- Certificates of Insurance are reviewed and approved by the C&PS team
- More secure - Level 1 data protected
- Increased fraud protection
  - Bank routing number validation for US Banks
  - Tax ID number validations checked against IRS site
- Data validation
  - US Address validations checked against USPS records
  - Sanction list alerts checked against approx 400 sources
- Suppliers can look up their payment information
- Suppliers update their company information (remit address, company name, etc)
ProCard/GoCard - New paperless process

Benefits

- Faster routing and approval
- No more hand delivery of paperwork (since we moved off campus)
- No more tape, paperclips, printing, loose receipts gone missing, etc.
- Automatic confirmation email - No more lost statements! Yay!

Key achievements

- In FTS now - one stop for all Procure to Pay needs
  - Go to “Other” module in FTS
  - Upload statements and back up documents together now (update)
  - All Information for the upload is on your statement
- Docusign for cardholder & approving officials now
  - Approving statements is now even more accessible and convenient
