Note: boldface courses indicate newly approved courses to be reviewed in 2 years. Reviews were suspended for F08-S11 and will be resumed in the F11 semester. Any course approved for GVAR satisfaction in F08 was automatically approved for F09 and F10, respectively; similarly, any course approved for S08 was approved for S09 and S10. The normal cycle of review will be delayed 3 years until each course is reviewed again. After that point, the 3-year cycle will again be put into place.
