SANTIAGO: THE METROPOLITAN GEM OF SOUTH AMERICA!

Students will study modern Chilean culture, geography, environment, language, and more. We will learn how the Chileans have embraced globalization, how the population has changed, and why it is considered the safest country in South America.

Class members will broaden their global awareness through learning and practicing appropriate etiquette and travel skills for foreign travel. Lessons will include cultural sensitivity, safety, and other prerequisites for enjoyable travel that will help students develop into more worldly and knowledgeable citizens and travelers. Activities will include:

- Walking tour of historical downtown including Plaza de Armas, Mercado Central, and Santiago Metropolitan Cathedral
- Visit to the Memory and Human Rights Museum and Museo Cielo Abierto (open air art museum)
- Renewable energy site visit
- Visit to Valparaiso and Viña del Mar
