San José State University
Student Organization On-Campus Events

POLICIES and PROCEDURES
(9/1/10)

The following Policies and Procedures were created to assist students, faculty and staff in planning student organization events to be held in campus facilities or on University grounds. Any event that is determined to be outside of normal meeting room use will require adherence to these guidelines, which are intended to minimize the impact of events on the campus and surrounding community and ensure the safety and well being of students, staff, University Police, guests, and members of the campus community. The Student Union Event Services Manager will determine whether or not an event requires adherence to these guidelines. It is the responsibility of all student organizations’ officers and members to understand and follow these policies and procedures.

3. The University does not permit the use of campus facilities by student organizations for fund raising purposes if the funds will enrich an individual or commercial sponsor.

4. The use of promoters for student organization events is not permitted.

5. The University will not schedule social events for student organizations to extend past midnight.

6. Alcohol is not permitted at student organization events.

7. The Event Sponsor must be currently registered through Student Involvement.

   * Student Involvement will distribute to scheduling offices as soon as possible after the start of each semester a list of currently registered student organizations.

8. The Event Sponsor must have a current account at the Associated Students General Services Center. Purchase Orders may be obtained from the General Services Center after an account is opened.

9. For any event that is determined to be outside of normal meeting room use and to be a “high risk” event, the Event Sponsor must have a SJSU faculty or staff representative, who must sign on the reservation materials and agree to be present for the duration of the event.

10. Food & Beverage Approval Forms must be approved by and on file in the Event Services Office 15 days prior to the date of event. The organization must retain a copy of the approval and it must be made available during the event.

11. Events are not considered confirmed until the appropriate parties representing the Event Sponsor have met with the appropriate scheduling office personnel 45 days prior to the event date all required paperwork has been submitted and all deadlines have been satisfactorily met.

Publicity/ Advertising

1. All publicity, advertising, or tickets should accurately represent the event, must be in good taste (as determined by the Event Services Office), and approved 30 days in advance of the event date by the Event Services Office. Use of unauthorized or unapproved advertising (including internet websites) may result in cancellation of the event.
2. Publicity may not be sponsored by, or make any reference to, alcohol or tobacco products, nor may it allude in any way to illicit/illegal substances. Discovery of such advertising may result in cancellation of the event.

3. All publicity, advertising, and any pre-sold tickets must contain the following information:

   a. All events
      - Start and end time of event
      - All ticket prices (“in advance”, “at the door”, discounts, etc.)

   b. Dances/Concerts
      - “doors close by 9:30pm” (or earlier)
      - SJSU student I.D. required, or
      - 18 and over with photo I.D.

4. Publicity, advertising, or decorations may not be hung or posted in campus facilities scheduled by the SU Event Services Office without prior approval by the Event Services Office. Any resulting damage will be charged to the Event Sponsor.

Admission/Guests

1. For admittance to dances/concerts a valid college I.D. (from SJSU or other college) with photo is required. Each SJSU attendee may sponsor one guest (18 years of age or older) with valid photo identification, and both the student and guest must arrive at the admission/entry point together. Attendees from other colleges may not sponsor a non-college guest.

2. Any guest list (for complimentary guests) to dances/concerts must be submitted to the Associated Students General Services Center no later than 12 noon the day before the event. Complimentary guests must present valid photo identification. Guests not on the complimentary list must pay for admission, and all other Associated Students policies for admission and guests must be adhered to.

3. There will be no “in and out” privileges at dances or concerts.

4. The maximum capacity for dances/concerts may not exceed the capacity outlined for the facility by the Event Services Office.

Tickets

1. Ticket sales in advance of an event must not commence until event approval has been granted by the Student Union Event Services Office, may only be sold through approved locations/procedures, and must comply with all Associated Students ticket-selling policies. Tickets being sold through unapproved locations/procedures, or prior to approval, may result in cancellation of the event.
2. Associated Students ticket sellers must be contracted to sell tickets for any event at which tickets will be sold at the door. This service is provided free to Associated Students funded events, and at a fee for non-Associated Students funded events. A minimum of two (2) ticket sellers must be hired for all events where tickets are sold at the door, and a maximum of 400 tickets can be sold with two ticket sellers. Additional ticket sellers may be necessary as determined by the Associated Students Cashier. Associated Students has additional ticket selling policies that must be followed. Consult with the Associated Students General Services Center to contract ticket sellers, or for other information on Associated Students ticket-selling policies.

3. Ticket sellers must be arranged at least 30 days in advance of the event date.

4. Ticket sales must conclude by 9:30 p.m. on the date of the event.

5. All ticket prices ("in advance", "at the door", discounts, etc.) must be published on all event publicity/advertising, and on all tickets.

6. Ticket prices may not vary at any time from those approved and published in event publicity/advertising, or printed on tickets.

**Insurance and Liability**

1. Special Event Liability Insurance is required for all events determined to be outside of normal meeting room use. The Student Union Event Services Office will prepare a certificate of insurance to meet event specific insurance needs. This certificate of insurance should be requested and prepared at least 30 days prior to the event date.

2. The sponsoring organization will be held fully responsible for any costs incurred by the campus facility or the University as a result of the event. This includes damage to or destruction of University property, or of property on University premises belonging to others.

**Security**

1. All events sponsored by student organizations that are open to the public or that are expected to have a large attendance (as determined by the Event Services Manager and/or UPD) may require the presence of security personnel.

2. The University Police Department must have received and signed off on a Special Event Form (SERF), submitted by the Event Services Office for the event at least 15 days prior to the event date.

3. Level of security required for an event will be primarily determined by the type and time of event, location, expected attendance (and whether the event is closed, or open to the public), entry fee, anticipated level of impact on the campus and surrounding community, expected level of risk to the safety and well being of participants, staff, University Police and community members, and historical documentation for similar events, and/or previous events put on by the Event Sponsor. Other factors may also be considered.

4. The Event Services Office will contract any required security personnel, and will invoice the Event Sponsor for those costs. The Event Sponsor is never allowed to directly contract any security.
5. For dances/concerts and other high risk events, a security meeting must be held no later than thirty (30) minutes prior to the scheduled event starting time, with the following mandatory attendees:

   a. Event Sponsor representative in charge of event
   b. Highest ranking officer of Event Sponsor
   c. Event Sponsor’s faculty or staff representative
   d. All UPD personnel
   e. All private security personnel
   f. All volunteer (student) security personnel
   g. Associated Students ticket sellers
   h. I.D. checkers
   i. Campus facility staff

6. Metal detection may be required for any non-seated, general admission event with a capacity set for over 400 and open to the public. It may also be required for other events if deemed necessary by the Event Services Office and/or University Police Department. The Event Sponsor will be responsible for all associated costs.

7. The University Police Department has the right to cancel any event at any time if they feel that safety is at risk.

8. Any attendee (including guests) who appears to be visibly under the influence of alcohol/drugs will be removed from the event, and subject to University disciplinary procedures, and/or criminal prosecution.

9. The Event Sponsor is responsible for the behaviors of their crowd/guests until their crowd/guests have cleared University grounds. University Police will remain until they are satisfied that the University is clear of crowds following events, although University Police are not responsible for clearing the University.

10. Incidents of behavior unacceptable to the campus facility staff and/or the University Police will result in the Event Sponsor being subject to the designated judicial process of the University and may result in restriction of privileges granted to the organization by the University or suspension of University recognition and/or loss of organizational scheduling privileges for the remainder of the current and the next full academic semester.

Fees

1. The Event Sponsor must have a current account at the Associated Students General Services Office, with a sufficient fund balance to cover the pre-event cost requirements of the event. Purchase Orders can be obtained from the General Services Office after an account is opened.

2. A Purchase Order, or deposit equal to 50% of the estimated facility cost, plus the total projected security costs, must be presented to the Event Services Office at least 30 days prior to the event date. The Event Services Office will determine the required amount of the Purchase Order. Any event cancelled with less than 14 days notice may result in loss of deposit, and a fee charged to the Event Sponsor equal to any direct costs incurred by the Student Union as a result of the planning process.

3. The Event Services Office may arrange for professional cleaning service at the conclusion of any events. The Event Sponsor will be invoiced for the cleaning. The Event Sponsor is not permitted to do their own cleaning to avoid these charges.
4. Full payment for all costs associated with the event must be made within 15 days after the event date. Failure to pay in a timely manner may result in loss of scheduling privileges for the remainder of the current and the next full academic semester.

Event Production

1. DJ’s or other hired entertainment, or other service providers, must follow all setup and equipment rules provided by the campus facility or the Event Services Office.

2. All services provided to the Event Sponsor may require independent contractor agreements, which can be obtained from the Associated Students General Services Center, and a copy of such agreements(s) must accompany the Facilities Request Form.

Cancellation

Any of the following may constitute cause for immediate and non-negotiable cancellation of the event:

- Failure to meet with the SU Event Services Manager 45 days prior to event date.
- Failure to submit any of the required documentation.
- Failure to have publicity, advertising and tickets approved 30 days prior to event date.
