SAN JOSÉ STATE UNIVERSITY

SJSU is located in the heart of Silicon Valley at the south end of the beautiful San Francisco Bay Area, one of the most popular destinations in the U.S.
Welcome to San José State University,
Silicon Valley, California
Plug-in to Your Passion

SJSU positions you to find your passion and your path to a successful future while you explore our diverse community and enjoy your university experience. Although we’re best known for engineering, we offer 145 fields of study and 108 concentrations.

You’ll learn from industry experts and nationally-recognized professors in preparation for your academic and career goals.
Did You Know...
SJSU has more international students than any other master’s granting university in the U.S.
