TO THE Student Participants in the Research Competition:

The Spartan Daily has asked to report on the SJSU Student Research Competition. If permitted, a reporter would be present during your presentation and might photograph your work. The reporter might also ask to interview you. While this event is a public forum, we in Graduate Studies & Research felt that each student participant should be able to decide his or her level of participation in the reporting.

Please sign below if you agree to be viewed, interviewed, and/or photographed for *Spartan Daily* publication. If you prefer not to, you may choose to opt out by signing your name below that category.

If signing away from the event, please return this form to the Office of Graduate Studies & Research located in the Administration Building, Room 223B, on the SJSU campus or mail to Graduate Studies & Research, Attn: Associate Dean David Bruck, San José State University, One Washington Square, San Jose, CA 95192-0025.
