ACTION PLAN FROM PROGRAM REVIEW AND PLANNING
San José State University
College of Health and Human Sciences
The Valley Foundation School of Nursing
May 23, 2019

A. Doctor of Nursing Practice
   i. Create and provide to the Dean of Health and Human Sciences and the Provost by June 15, 2019 a summary of resources, processes and curricular modifications needed to adequately build the DNP.
   ii. Define and develop a doctoral culture in collaboration with the Dean of Health and Human Sciences, the Dean of the College of Graduate Studies.
   iii. Work with the College Dean and the College of Graduate Studies to create a budget, a plan and a timeline for developing a successful DNP program at SJSU, including building out the budget to the steady-state operation.

B. Program Administration
   i. Create and provide to the Dean of Health and Human Sciences and the Provost by September 15, 2019 a staffing resources and structure proposal for the administrative needs of the Nursing programs.
   ii. In conjunction with other clinical doctorates and the Dean, explore the need and potential models for a clinical faculty track.

C. Curricular Issues
   i. Explore the curricular, personnel and budget implications of creating an FNP program stateside.
   ii. Develop a plan for long-term viability of the Nursing Education program.
   iii. Explore curricular modifications and funding to increase simulation experiences to 25% for nursing students.

D. Assessment and Student Outcomes
   i. Consider using direct assessment to assess PLOs in addition to questionnaires and number of scholarly works.
   ii. Document practices for faculty participation in assessment, PLO revision, and use of assessment results for teaching and learning improvement.

E. An update on this action plan is due in spring 2021 after the 2020 Commission on Collegiate Nursing Education (CCNE) Accreditation visit. The next full program review is due 2026 the year following CCNE accreditation review.
