Instructions: Each year, the department will prepare a brief (two page maximum) report that documents the assessment of the course during the year. This report will be electronically submitted to <curriculum@sjsu.edu>, by the department chair, to the Office of Undergraduate Studies, with an electronic copy to the home college by October 1 of the following academic year.

Part 1

To be completed by the course coordinator:

(1) What SLO(s) were assessed for the course during the AY?

SLO 3: Students will be able to apply a scientific approach to answer questions about the earth and environment.

(2) What were the results of the assessment of this course? What were the lessons learned from the assessment?

39 of 44 students evaluated met the standard. Assessment was conducted through analysis of test questions related to this SLO. I consider this level of achievement satisfactory.

(3) What modifications to the course, or its assessment activities or schedule, are planned for the upcoming year? (If no modifications are planned, the course coordinator should indicate this.)

None

Part 2

To be completed by the department chair (with input from course coordinator as appropriate):

(4) Are all sections of the course still aligned with the area Goals, Student Learning Objectives (SLOs), Content, Support, and Assessment? If they are not, what actions are planned? All sections of the course still aligned with the area Goals, Student Learning Objectives (SLOs), Content, Support, and Assessment.
