General Education Assessment Schedule

Area V: CULTURE, CIVILIZATION, & GLOBAL UNDERSTANDING

Course Prefix and Number: Phil 133  
Course Title: Ethics in Science

Course Coordinator: Janet D. Stemwedel  
E-mail: jstemwed@email.sjsu.edu

Submission Date: October 2009  
College: Humanities & the Arts

Instructions: Each GE assessment schedule must indicate the plan for assessing all SLOs during the program planning cycle. Departments may assess any combinations of SLOs in a given year, but they must assess all GE area SLOs in a program review cycle. Some assessment of the course is required each academic year.

| SLO 1: Students shall be able to compare systematically the ideas, values, images, cultural artifacts, economic structures, technological developments, or attitudes of people from more than one culture outside the U.S. | 2009-10  
2012-13                                                        |
| SLO 2: Students shall be able to identify the historical context of ideas and cultural traditions outside the U.S. and how they have influenced American culture.                    | 2010-11  
2013-14                                                        |
| SLO 3: Students shall be able to explain how a culture outside the U.S. has changed in response to internal and external pressures.                                       | 2011-12                                                        |
| Other: (optional; e.g. diversity, writing)                                                                                                                                  |                                 |
