ACTION PLAN FROM PROGRAM REVIEW AND PLANNING
San Jose State University
College of Engineering
Department of Computer Engineering
September 25, 2014

1. Obtain accreditation for BS Software Engineering

2. Department will work with COE Dean to address the possibility of a Software Engineering merger with the Computer Engineering Department.

3. Department will work with COE Dean to develop a stable enrollment plan for resident and non-resident students.

4. Department will work with COE Dean to recruit faculty hires in emerging areas.

5. Department will develop a plan to include “Math” as an admission requirement for transfer students to help improve graduation rates.

6. Next department review to coincide with next ABET accreditation, Fall 2018.

By signing below, we agree to the action plan outlined above.

Xiao Su, Chair of Computer Engineering

Andrew Hsu, Dean - College of Engineering

Andy Feinstein, Ph.D., Provost and VP Academic Affairs
