1. Minutes of last meeting

Minutes from [September 9th meeting](#) were **approved (6-0-0)**

2. Other Business

The College of Engineering's capstone Area S and V integration, which was [provisionally approved for two years on Feb 20th, 2014](#) and [granted a one year extension on September 8th, 2016](#), was discussed. The committee decided to send a memo to the College of Engineering's GE Course Coordinator reiterating the items it would like the certification submission to address in order to move from provisional to permanent status. The [memo](#) will be based on the minutes of the Feb 20th 2104 and September 8th 2016 meetings.

3. Continuing Certification

BOGS has not yet seen materials from METR, PHYS, BUS, ENGL, CHEM and GEOL which were due last year.

4. EO 1100

The CSU has organised a webinar on September 29th at 2pm which can be attended in Clark 412 to answer questions about EO 1100.
