General Education Annual Course Assessment Form

Course Number/Title:  METR 113/Atmospheric Pollution  GE Area:  R

Results reported for:  AY 13-14  # of sections:  1  # of instructors:  1

Course Coordinator:  Alison Bridger (as dept chair)  E-mail:  Alison.Bridger@sjsu.edu

Department Chair:  Alison Bridger  College:  Science

Instructions:  Each year, the department will prepare a brief (two page maximum) report that documents the assessment of the course during the year. This report will be electronically submitted, by the department chair, to the Office of Undergraduate Studies, with an electronic copy to the home college by September 1 of the following academic year.

Part 1

To be completed by the course coordinator:

(1) What SLO(s) were assessed for the course during the AY?

We conduct our GE assessment exercise in spring. In the AY 13-14, we were not able to offer this class in spring, and thus no assessment took place in this class. We are assessing this class in Fall 14, and will report in the next cycle.

(2) What were the results of the assessment of this course? What were the lessons learned from the assessment?

See above.

(3) What modifications to the course, or its assessment activities or schedule, are planned for the upcoming year? (If no modifications are planned, the course coordinator should indicate this.)

See above.

Part 2

To be completed by the department chair (with input from course coordinator as appropriate):

(4) Are all sections of the course still aligned with the area Goals, Student Learning Objectives (SLOs), Content, Support, and Assessment? If they are not, what actions are planned?

Bar the above, the chair is satisfied that this course is being delivered with full and appropriate attention to all area “R” goals, SLOs, content, support, and assessment.
