Qualifying life events include marriage, divorce, legal separation, annulment, birth, adoption, change in custody, adding or removing an economically dependent child, domestic partnership registration or dissolution, gain or loss of alternate coverage, etc. For questions regarding qualifying Life Events, please call your Benefits Service Representative at 408-924-2250 or visit Human Resources (http://www.sjsu.edu/hr/index.htm).

This business process guide demonstrates how to submit your Life Event and the changes to your current benefits including Medical, Dental, Medical Flex Cash, Dental Flex Cash, Flex Spending Health (HCRA) and Flex Spending Dependent (DCRA)

### Flex Spending Accounts

The Health Care Reimbursement Account (HCRA) is a voluntary benefit plan which allows you to pay for eligible out-of-pocket medical and dental expenses with pre-tax dollars for yourself and your dependents. Re-enrollment in this plan during annual Open Enrollment is required if you wish to continue coverage for the next year. The minimum monthly deduction is $20.00, and the maximum is $416.66. Contribution amounts must be carefully calculated, as any money left over after all claims have been submitted for a plan year will be forfeited. There is also a $2.00 monthly administrative fee charged for each account.

Within 2 business days, your Benefits Service Representative will process and finalize your elections and send you another email notification indicating that your life event benefits enrollment has been completed by the Benefits department.

The email notifications are sent to your preferred email address on your MySJSU account. If you have not saved your preferred email address in MySJSU, please update it under Self Service > Personal Information > Email Addresses.

Employees without a preferred email address in MySJSU will be contacted via phone by their Benefits Service Representative.
