Multiple scholarships will be awarded for each one of the scholarships listed below

Paul Brown Memorial Scholarship

The Paul Brown Memorial Scholarship (up to $2,000) is open to undergraduate Recreation majors who are enrolled full-time at SJSU. Students planning careers in federal, state, county, and city recreation agencies/parks are strongly encouraged to apply. Preference will be given to applicants with the following qualifications 1) currently a junior or senior in the Recreation major; 2) have a 2.6 major GPA or better; 3) a documented record of community service; 4) good academic progress towards degree; 5) involvement in Recreation professional organizations.

Recreation Therapy Scholarship

The Recreation Therapy Scholarship (up to $1,000) is open to undergraduate Recreation Therapy majors. Top candidates will demonstrate excellence, going above and beyond requirements in the areas of practicum, classroom leadership and performance, and service/leadership to the SJSU campus, department and/or their community. In addition to other application materials, applicants must provide documentation of their GPA in their major, hours of service, and letters of support from field sites.

Allison Council Scholarship

The Allison Council Scholarship (up to $500) is open to undergraduate Health Science and Recreation majors. Selection criteria include: 1) Pattern of consistent and significant community volunteer experience and leadership; 2) Evidence of joyous, responsive, and high-level engagement with the people and groups impacted by the volunteer services; and 3) Dedication to contributing to activities and environments that support opportunities for people in need to feel happy, gain confidence, and experience support and connections for health.

Health Science Scholarship

The Health Science Scholarship (up to $1,000) is open to junior and senior undergraduate public health majors. Top candidates will demonstrate academic excellence, going above and beyond requirements of their degree program. Preference will also be given to those who can demonstrate service to the SJSU campus, HSR department, and/or the surrounding community. Applicants who have had to endure personal adversity while also striving towards academic excellence are invited to share about their personal challenges. Requirements: 1) must be a junior or senior in public health (including health services administration concentration); 2) have a 3.0 GPA or higher; 3) show good academic progress towards degree completion; 4) provide one recommendation letter from your professors, experts in your field, or community members.
