Group Advising for Students Interested in Health Science
Fall 2016

The Health Science program will be holding group advising sessions for students who are interested in learning more about the major or are considering applying to change their major to Health Science. During the group advising sessions, a faculty advisor from Health Science will share information about the major, describe the process for applying to change major to HS, and answer any questions you may have about the major.

If you are interested in learning more about Health Science or are thinking about changing your major, please attend an advising session.

Dates for group advising during Fall 2016 are:

Wed. Oct. 5, 12pm - 1pm (SPX 210)
Mon. Nov. 7, 6pm - 7pm (MH 533, The CASA Success Center)
Thurs. Nov. 17, 1pm - 2pm (SPX 210)
Tues. Dec. 6, 12pm - 1pm (SPX 210)

Prospective majors are also invited to attend a special Health Science advising social on Thursday October 20th at 6pm in the CASA Success Center (MH 533) hosted by the HS Peer Advisors.
