Join us this fall for a tour of the Renaissance and Baroque eras in Europe. The course will include magnificent works of art from Italy and northern Europe in the 15th – 17th centuries covering such masters as Michelangelo, Leonardo, Rubens, and Vermeer. We will study the beliefs of the period, including religious revolution (the birth of Protestantism), the contrasting ideas of Machiavelli (The Prince) and More (Utopia) about the ideal state, the view of women at the time, and much more. We will conclude with a play by Shakespeare, his great tragedy Othello.
