Student Testimonials

Julia Alisa Seifert

Country: Germany

Last year, I studied at SJSU and was fortunate to attend courses which encouraged my interests in international relations, as well as, human rights issues. My professors were very supportive and helpful in my finding my path in life. It was an amazing experience and I could not have wished for better SAS advising.

Baris Can

Country: Germany

I had the opportunity to meet people from Silicon Valley and make contacts. All the professors I had courses with were so nice and helpful. With International Gateways I was able to go to China for a hacking competition.
