San José State University provides a comprehensive university education, granting bachelor’s and master’s degrees in 134 areas of study. Quality teaching and small classes are a priority at SJSU, where tenured professors teach introductory as well as advanced courses.

One of the 200 top research universities in the nation, SJSU offers rigorous course work and research opportunities to more than 30,000 undergraduate and graduate students in seven colleges.

San Jose State’s location in the Silicon Valley makes it an exceptionally rewarding learning environment for students. Silicon Valley firms and agencies seek SJSU students for internships, summer work programs and for assistance with research and development projects. Silicon Valley firms employ more graduates from SJSU than from any other university in the nation.

Top reasons to choose San José State University
- #1 median household income in the U.S.
- Home to nearly 1 million people and 6,600 technology companies (U.S. Census)
- 69% of Silicon Valley employees with a college degree in Science and Technology are foreign born (U.S. Census)
- 10th largest city in the U.S and the 7th safest (Forbes Magazine)
- Average of 300 sunny days a year.

## How to Enroll

1. Decide which International Gateways program meets your academic goals and study abroad requirements. International Gateways offers academic and language culture programs throughout the year.
2. Choose the start date that best fits your schedule—we recommend applying at least one month prior to the start of the program.
3. Go to [www.sjsu.edu/igateways](http://www.sjsu.edu/igateways) and click on Apply Now. Read the International Gateways application requirements and the tuition refund policy.
4. Get ready for success at San José State University!
