

SJSU International House Network User Usage Agreement

This is a legal contract between you and the International House that gives you the permission to use computer services provided by the I-House. By signing this contract, you thereby agree to the following while using the I-House computer services and equipment:

1. You are allowed to participate in video conversation over the Internet, as long as it does not consume significant* amounts of bandwidth.
2. You agree not to save any of your documents on the computers in the computer room.
3. You are not allowed to browse, download or post any pornographic material.
4. You are not allowed to download any music, movies or engage in any other activities that will consume significant* amount of bandwidth. This includes running any download agents such as uTorrent, LimeWire etc.
5. Sending or posting discriminatory, harassing, or threatening messages or images on the internet is prohibited.
6. You are not allowed to do anything considered illegal according to California and U.S Federal law. Without authorization, you may not download, copy, or pirate software and electronic files that are copyrighted.
7. You will only use the Internet Protocol address (IP address) assigned to you, and you will not share with others.
8. You are strictly prohibited to tamper with the I-House network. This includes the routers, computers, the server and the firewall.
9. You acknowledge that your network usage might be monitored and/or blocked by the computer aides.
10. You will be responsible for any of the actions you incur over the internet.
11. All Internet data that is composed, transmitted and/or received by the I-House computer systems is considered to belong to the I-House and is recognized as part of its official data.

In the event that you are suspected of abusing the network resources, the network usage can be used as evidence against you. The Director of the I-House reserves the right to deny anyone's access to the computer facilities and network access indefinitely, if found violating any of the restrictions/regulations listed above.

*Significant amounts of bandwidth are defined as 100 mbph up and 1gbph down (For any clarification or explanation please contact the Network Administrator or Computer Aide.)
