

This document helps you navigate to Student Data Warehouse reports.

Processing steps	Screen shots
<p><b>Step 1:</b> Launch Internet Explorer (or your browser preference) from your desktop.</p>	
<p><b>Step 2:</b> Your home page opens. If your home page is not the CSU SJSU website, type <a href="https://my.sjsu.edu">https://my.sjsu.edu</a> in the address bar and press Enter on your keyboard.</p>	
<p><b>Step 3:</b> Click on the <b>Student Data Warehouse</b> button.</p>	

Processing steps	Screen shots
<p><b>Step 4:</b>                      Enter your campus username and password. Student Data Warehouse uses Single Sign-on application for logging in. User id is SJSU OneID and the password is SJSU OneID's password (This is the same user name and password that you use for Google Gmail)</p> <p>The user access is provisioned after approvals from manager and Data Stewards. Please send email to <a href="mailto:datawarehouse-support@sjsu.edu">datawarehouse-support@sjsu.edu</a> for any additional questions regarding user access.</p>	
<p><b>Step 5:</b>                      You will land on the <b>Student Data Warehouse</b> page once you are logged in.</p>

<p><b>Step 6:</b>                      Locate the <b>Dashboards</b> dropdown box; it typically appears on the upper right side of the page, on the menu bar. This will show the available options of dashboards.</p> <p>Note: The Dashboards list will change depend on the access provisioned. The image on the right side is for representational purpose only.</p>	
<p><b>Step 7:</b>                      You can also view Dashboards that are recently visited on the same screen.</p>
