<p>Save Current Customization</p> <p>Save Current Customization allows you to save filters for your own use. Currently, these cannot be shared with other campus users.</p> <p><u>Save Current Customization</u> <u>Step 1:</u> First, you need to create a filter.</p> <p>Enter in the criteria that you wish to use for the filter and click Apply.</p>	 <p>The screenshot shows a form with three dropdown menus: 'Academic Year' set to '2015', 'Admit Term' set to 'Fall 2015', and 'Academic Career' set to 'GRAD'. Below the dropdowns are two buttons: 'Apply' (highlighted with a red box) and 'Reset' with a dropdown arrow.</p>
<p><u>Step 2:</u> Then click on the Page Options icon ().</p>	 <p>The screenshot shows a user interface with a top navigation bar containing 'Help', 'Sign Out', and a user profile 'Signed In As syajamanam'. Below the navigation bar is a 'Page Options' menu with icons for 'Dashboards', 'New', and 'Open'. A red arrow points to a filter icon (three horizontal lines) in the top right corner of the main content area.</p>
