General Education, PE, SJSU Studies and Additional Courses (41 units)

The purpose of these courses is to enhance your Forensic Science degree and to broaden your educational background. Please be sure to meet with a general education advisor in Student Services to make sure that you have completed all general education requirements. SJSU also requires that you have two different physical activities completed to graduate. It is also imperative that you complete SJSU Studies requirements, previously known as Upper GE, in the 3 areas from 3 different departments: Area R - Earth & Environment, Area S - Self, Society & Equality in the U.S., Area V - Culture, Civilization, & Global Understanding.
