INTERNERSHIP OPPORTUNITY

The Graffiti Consultants is a for-profit company in San Jose that trains and consults with cities across the country to lower their level of graffiti.

VISION
The vision of the Graffiti Consultants is that cities across the country will drastically reduce graffiti vandalism.

MISSION
The mission of the Graffiti Consultants is to help cities drastically reduce graffiti by highlighting best practices through low-cost training and consulting in multiple platforms.

VALUES
- **Collaboration** - We feel strongly that linking city government to its residents and service providers is a key to success.
- **Affordability** - We work hard to keep our costs low so cities can take advantage of our services easily.
- **Variety** - We provide a variety of learning options to serve the vastly different positions cities employ to fight graffiti vandalism.
- **Quality** - We constantly keep on top of the nation’s best practices, and deliver that content effectively and efficiently.

ACTIVITIES AND BENEFITS INCLUDE:
- Offering colleges and universities across the country graffiti content for their classes.
- Notifying police departments across the country about training opportunities.
- Researching the potential of starting a 501C3 non-profit organization.
- Researching funding sources for consulting efforts.
