Papers
Students will complete 2 papers outside of class. Each paper will be 6-8 typewritten, double spaced pages with normal margins and fonts. Papers will describe a cultural, ethnic or religious practice of any group that would be useful in furthering police-community awareness. Each paper must be turned in by the beginning of class on the due date. Papers will be graded on relevance, organization, completeness and reference notation. Each paper will include a minimum of two scholarly references in the APA format. Grammar and spelling will account for 20% of each paper. Late papers will not be accepted.

Individual Presentation
Each student will make one presentation about a law enforcement agency by visiting the agencies website for information. Prepare an outline for the presentation and provide enough copies for the instructor and other students.

Class Project
The class will develop a crime prevention/public education proposal and research project concerning a current issue in the justice studies field. Groups will be formed to address the research, public education and promotional development phases of the project. An 8-10 page paper defining the problem and concepts behind the public education program will be presented in addition to a multi-lingual poster and public education brochure. Guidelines for the project development and paper requirements will be provided to the class. Active involvement in the class project is required to maximize the overall course participation score.

Exams
The Mid-term and Final exams will cover all material presented prior to the exam including chapter reading assignments, lecture and information provided by guest speakers. Test reviews will provide a general overview of the material covered in the exam. Exams will consist of multiple choice and True/False questions. A Scantron 883e form will be needed for each exam.

Course Structure
Lecture, student presentations, guest speakers, films
