INTERNSHIP PAPER
Every student must complete an eight to ten page paper that describes and analyzes their experience with the department or agency.

INTERNSHIP PAPER GUIDELINES
1. A brief description of what you did; list the duties in order of importance and the approximate percentage of time spent on each activity. Describe the general level of sophistication and amount of energy (both mental and physical) that your job required.

2. A general analysis of the intern experience and how it related to your academic experiences (e.g., textbooks, journals, etc.); that is, “bridging the gap” between theory and practice. In this regard, at least two citations (preferably empirical or theoretical) must be provided. Use APA format and the guidelines can be found in the American Psychological Association, 4th Edition APA reference book available at any bookstore.

3. A specific analysis of what you really liked about the job and why (i.e., why was the experience “meaningful” to you?).

4. A specific analysis of what you really disliked about the job and why (i.e., why was the experience not as good as it might have been?).

5. Provide your overall evaluation of your intern experience in one or two summary paragraphs. Finally, indicate what rating you would assign the internship on a 1 to 5 scale (1 signifying that you disliked almost all aspects of the experience and 5 signifying that you liked almost all aspects of the experience. A rating of 4 or above means that you would recommend an internship in the agency to your friends.)

6. Due date: Papers in final typed form (along with agency evaluations and meeting/lecture attendance) are due on the Monday prior to the last regular day of classes (before finals), unless you have made other arrangements with your assigned advisor. Late papers will result in an incomplete or a grade of no-credit.
