COURSE DESCRIPTION

This course will systematically cover the basic components of the US courts, with an emphasis on how criminal cases proceed through the court system. We will begin with an overview of the US court history, structure, and function, and an introduction to basic procedural and substantive criminal law. We will move on to a discussion of some of the contemporary court processes and practices, including charging and arraignment, plea bargaining, the trial process, sentencing, and post-sentence processes. In this section we will begin with the role of judges, juries, prosecutors, defense attorneys, and corollary legal actors in the adjudication process. The other major component of the course will entail the examination of series of special issues and problems related to contemporary criminal courts, including 3 strikes cases, federal drug cases, capital cases, influences of race, class, and gender on court outcomes, sex offender laws, and political influences on courts and their participants. Throughout the course, we will examine the gap between the ideals of the court system and the realities of its operations.

COURSE REQUIREMENTS:
In addition to participating in the class discussions and activities on Tuesdays and Thursdays, you are required to:
1) Complete the required readings prior to the class for which they are assigned.
2) Complete a minimum of 4 hours of independent court observation and turn in a completed court observations assignment sheet.
3) Plan 1 set of discussion section topic questions and lead one discussion section related to your readings and/or court observations & participate in group discussions.
4) Turn in a typed assignment on the book, Mean Justice.
5) Take 1 in-class quiz and 2 in-class exams (a mid-term and a final) that will cover the readings and lecture materials.
REQUIRED TEXTS:

GRADING, MISSED EXAM & LATE ASSIGNMENTS POLICY
Only legitimately excused missed quizzes/exams can be made up. My policy for what
constitutes legitimate excuses generally include the following: Your own serious illness or
injury (documented by a physician); a documented death in your immediate family;
unavoidable, documented, schedule conflict for SCHOOL related purposes (i.e., required by
athletic team to be on the road). Only under extreme and unavoidable emergency
circumstances will you be able to make up an exam for a legitimate excuse if you have NOT
given notice of your absence before the actual scheduled exam period. You may only make
up 1 scheduled test during the semester, so if you are not in attendance for more than 1
scheduled exam or quiz, you will receive zero points for any additional missed exams.
Missed quizzes and midterms will be taken on the final scheduled day of class during the
class period. The make-up tests may be in a different format than the original exams. The
missed final period will be arranged if necessary, and may also be in a different format than
the original final.

The assignment deadlines are FIRM deadlines. NO LATE ASSIGNMENTS WILL
BE ACCEPTED unless there is a documented emergency that absolutely prevents you from
turning it in. Computer / printer breakdowns are generally NOT legitimate emergencies. You
are responsible for knowing any schedule changes for exams or assignment due dates that
were announced in class, even if you were not in attendance. ALL ASSIGNMENTS MUST
BE TURNED IN DURING CLASS ON THE DUE DATE.

Please familiarize yourself with the SJSU policy on academic dishonesty, available in
pdf format at: http://www.sjsu.edu/academic.html. It is also published in the SJSU print
catalog. Use those rules and definitions to guide your conduct in this class. Any work that is
produced in violation of this policy will at minimum receive no credit.

Your final grade for the course will be based upon your performances on the in-class
exams, the assignments, and the final project, as follows:
Quiz: 100 points maximum
Midterm: 300 points maximum
Final: 300 points maximum
Discussion section: 100 points maximum
Court observations: 100 points maximum
Book assignment: 100 points maximum
Total possible: 1000 points

A range = 900 points or above
B range = 800-899 points
C range = 700-799 points
D range = 600-699 points
F = 599 points or below
