AJ 120
JUVENILE JUSTICE

COURSE DESCRIPTION

The course will provide an orientation to the issues, policies and procedures which make up our system of justice for children. The function and legal responsibilities of the Police, probation, Juvenile Court and corrections system will be studied. Emphasis will be on societal forces that bring children into the Justice System including child abuse, and gang participation as well as the legal response of mandated agencies.

OBJECTIVE

Students will gain an understanding of the history of both child victims of crime and child perpetrators of crime. Analysis of the overlap between children in the dependency System with children who are law violators. Groundwork will be laid for further study in juvenile justice and students considering a career in the justice system will understand the role of law enforcement, social workers, probation officers and attorneys. Analysis of theories of delinquency including psychological, biological and sociological will provide students with a framework for understanding law violation. Through institution tours and Court observation students will gain a greater understanding of the strengths and weaknesses of the system. Students will also gain appreciation and empathy for all child victims and offenders who find themselves within the Juvenile Justice System.

REQUIRED TEXTS

CLASS REQUIREMENTS

Below are requirements for the course as it is taught during a normal semester: I will be making changes which you will be made aware of the first day of class.

Three exams will be required; two midterms and a final administered during finals week. The exams will be multiple choice/short answer/short essay. There is a writing assignment on the Rodriguez text which is due with the second midterm and for which there is a separate handout. Students who miss an exam may make it up during finals week if there is proper documentation for their absence. Vacations do not qualify; only unavoidable emergency situations! No exceptions.

Lecture material is comprehensive, thorough note taking suggested. There will be guest lecturers and tours scheduled. Students will not be penalized for not attending but should get materials from classmates to ensure they are properly prepared for the exams. All exams and assignments must be completed in order to receive a grade in the class.

ATTENDANCE AND PARTICIPATION

Regular class attendance and participation is expected. Regular absences for work/illnesses should be reported to the instructor. Students are expected to do the class reading before the lecture. Students are encouraged to share with the class relevant newspaper articles on juvenile justice topics. Outstanding class participation may result in the final grade in the class improved by 1/2 grade point-B to B+ etc. Instructor will distribute handouts on field trips a few weeks before they are scheduled. Please turn off cell phone before class and DON'T ANSWER THEM IF THEY RING! Excessive whispering and eating is disruptive to everyone!

EVALUATION

Exams are based on class lectures, text readings, handouts and videos. Students will be given a review sheet before the exam and the grades will be distributed to the class the period after the exam. Students will receive a point score and a grade for each exam and the scale will be illustrated so students are aware of class standing. There are multiple ways of gaining extra credit in this course. Students may pursue topics on a deeper level than class time allows, write short papers on their work with the Juvenile Justice System etc. However, the work must be generated for this class; not recycled work from other classes which may or may not be relevant.

Please see the attached sheet on Extra Credit.

Midterm #1 25%
Midterm #2 25% power point presentation
Paper 25%
Final 25%
Extra Credit limited subject to instructor approval
