Course Requirements and Assignments

SJSU classes are designed such that in order to be successful, it is expected that students will spend a minimum of forty-five hours for each unit of credit (normally three hours per unit per week), including preparing for class, participating in course activities, completing assignments, and so on. More details about student workload can be found in [University Policy S12-3](http://www.sjsu.edu/senate/docs/S12-3.pdf) at http://www.sjsu.edu/senate/docs/S12-3.pdf.

Requirements:

1. You are required to read all chapters in advance.
2. Please bring the textbook(s) to class.
3. Your grade is based on 1 response paper, small group participation/discussion, 1 mid-term exam, and 1 final exam.

Assignment:

I will NOT accept your late assignment. Your assignment must be turned in on the assigned day in class.

If you are ill on the day when the assignment is due, you need to present your doctor’s note in order to get appropriate credits. Then you will turn in your paper on the next class period. **I will NOT accept your email submission. Without the doctor’s note, you will NOT receive any points.** Regardless of the reasons, you will not receive any credits for your assignment if you will not follow this instruction. The assignment is scheduled in the beginning of the semester, and there is no reason why you cannot complete these assignments prior to the due date. This is your responsibility.

Response Paper (50 points)

The response paper is due on **Monday, April 20, 2015 in class.**

(1) You need to choose three chapters out of the following 6 chapters:

Ch. 4 Intimate and Family Murder

- If the authors formulated hypotheses, write hypotheses.
- If there was a research question, include the question.
- Choose theory (You need only one theory for each chapter. But use three different theories for three different chapters) and apply the theory to each chapter. In order to apply the theory, briefly explain the assumptions of each theory, and then using the theory, explain the most important theme in the chapter that you chose.
- What kind of data did the author(s) collect, if the author(s) collected? How did the author(s) collect? Where did the author(s) collect?
- Explain the findings of each chapter.
- Did the authors support the hypotheses, if there were hypotheses?
- Write your critical analysis of each chapter.
- Write a short summary of each chapter.

For all three chapters combined:
- Write a short summary of three chapters combined at the end of the paper.

(8) You need to use APA style.

Small Group Participation/Discussion (50 points) (5 points x 10 = 50 points)

**Department of Justice Studies Reading and Writing Philosophy**

The Department of Justice Studies is committed to scholarly excellence. Therefore, the Department promotes academic, critical, and creative engagement with language (i.e., reading and writing) throughout its curriculum. A sustained and intensive exploration of language prepares students to think critically and to act meaningfully in interrelated areas of their lives—personal, professional, economic, social, political, ethical, and cultural. Graduates of the Department of Justice Studies leave San José State University prepared to enter a range of careers and for advanced study in a variety of fields; they are prepared to more effectively identify and ameliorate injustice in their personal, professional and civic lives. Indeed, the impact of literacy is evident not only within the span of a specific course, semester, or academic program but also over the span of a lifetime.
