**Justice Studies Department Reading and Writing Philosophy**

The Department of Justice Studies is committed to scholarly excellence. Therefore, the Department promotes academic, critical, and creative engagement with language (i.e., reading and writing) throughout its curriculum. A sustained and intensive exploration of language prepares students to think critically and to act meaningfully in interrelated areas of their lives—personal, professional, economic, social, political, ethical, and cultural. Graduates of the Department of Justice Studies leave San José State University prepared to enter a range of careers and for advanced study in a variety of fields; they are prepared to more effectively identify and ameliorate injustice in their personal, professional and civic lives. Indeed, the impact of literacy is evident not only within the span of a specific course, semester, or academic program but also over the span of a lifetime.

**Course Description**

This course will engage the student in an analysis of the theory and practice of managing justice system agencies, including organizational change and contemporary issues. An in-depth examination of ethical challenges in managing justice agencies and strategies for ensuring ethical practices will also be explored. Students will become more informed critics and analysts of justice management.

Prerequisites: Upper Division Standing; JS 10, 11, 12, or 25; 100w
Note: Must achieve a grade of "C" or better to fulfill Justice Studies major requirements.

*For core courses (JS 101, 102, 114, 151, and 189 or FS 169): Justice Studies majors have only two opportunities to pass this course with a C or better. Any student with a final grade that is C- or lower on the first attempt will be placed on administrative probation with a registration hold. Any repeating student with a final grade that is C- or lower will be disqualified from the Justice Studies degree program.*

**Class Learning Objectives**

Upon successful completion of this course, students will be able to:

- **CLO1** demonstrate substantive knowledge about the service quality approach to justice management throughout the criminal justice system.
- **CLO2** demonstrate the ability to objectively and critically analyze the pros and cons of traditional closed-systems versus open-systems, including organizational changes and development.
- **CLO3** demonstrate a thorough understanding of the constraints placed on the field of criminal justice, and how they relate to and impact decisions made by line staff and managers.

Course Requirements and Assignments

Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of forty-five hours over the length of the course (normally 3 hours per unit per week with 1 of the hours used for lecture) for instruction or preparation/studying or course related activities including but not limited to internships, labs, clinical practica. Other course structures will have equivalent workload expectations as described in the syllabus.

Written Assignments

General formatting requirements for written assignments include a cover page, page numbering, 1” margins, strict double-spacing, and Times New Roman 12pt. font. All assignments must be written in formal English, with college-level writing mechanics, and APA-style formatting, inclusive of in-text citations and references. Written assignments must be submitted to Canvas unless otherwise noted by the instructor. Written assignments uploaded to Canvas must be in one of the following word processing file formats: Microsoft Word (*.doc or *.docx).

More details about student workload can be found in University Policy S12-3 at http://www.sjsu.edu/senate/docs/S12-3.pdf.

Readings, Lecture Slides, Lecture Outlines

Students are expected and required to complete all assigned readings, review lecture slides, and review lecture outlines. [CLO 1, 2, 4, and 6]

Class Canvas Discussions

Students will be required to post original comments in response to chapter topics posted by the instructor in the Discussions component of Canvas. Chosen topics will directly relate to readings. A set time frame will be in place for posting of comments; students will only be able to post during said time frames. Full credit (i.e., points) for each posted chapter topic will require (1) substantive post per chapter and (1) response to a classmate per chapter. For example, if there are (2) chapters included in a discussion board then you will post an original response for each chapter and then respond to a classmate for each chapter, this will result in a total of (4) postings per assignment. See course schedule for topic posting dates, and check canvas. [CLO 2 and 5]

Quizzes on Canvas

Students should complete the readings prior to the date by which they appear on the syllabus. Quizzes will be completed online via Canvas, and will be available for specific windows of time. Once a student begins a quiz, a limited amount of time will be given to complete it. See the course agenda for more information. [CLO 4]
Midterm and Final Exam
Students will be required to complete online midterm and final essay exams covering assigned course readings, and other assigned materials. [CLO 1]

Interview Essay
This essay (observational/interview essay) will be 3-4-pages in length, on the experience that the student has during an observation of some part of the justice system or an interview with someone in the justice system. A list of possible opportunities will be discussed in class. This essay is 10% of the final course grade. Focus questions will be provided for this assignment. See the course schedule for the due date. [CLO 4]

Grading Policy and Late Submissions
Written assignments will primarily be graded on content; however, poor writing mechanics and APA formatting will result in a moderate point deduction. In order to demonstrate comprehension of the course material, one must be able to write in a clear and effective manner. Always carefully proofread your assignments before submitting them. Late assignment submissions will not be accepted without a documented, verifiable, and valid reason. Assistance with APA can be found at: http://owl.english.purdue.edu/owl/resource/560/01/

NOTE that [University policy F69-24](http://www.sjsu.edu/senate/docs/F69-24.pdf) states that “Students should attend all meetings of their classes, not only because they are responsible for material discussed therein, but because active participation is frequently essential to insure maximum benefit for all members of the class. Attendance per se shall not be used as a criterion for grading.”

“This course must be passed with a C or better as a CSU graduation requirement.”

“Students are strongly encouraged to take courses to satisfy GE Areas R, S, and V from departments other than their major department. Passage of the Writing Skills Test (WST) or ENGL/LLD 100A with a C or better (C-not accepted), and completion of Core General Education are prerequisite to all SJSU Studies courses. Completion of, or co---registration in, 100W is strongly recommended. A minimum aggregate GPA of 2.0 in GE Areas R, S, & V shall be required of all students.” See [University Policy S14-5](http://www.sjsu.edu/senate/docs/S14-5.pdf).

Note that “All students have the right, within a reasonable time, to know their academic scores, to review their grade-dependent work, and to be provided with explanations for the determination of their course grades.” See [University Policy F13-1](http://www.sjsu.edu/senate/docs/F13-1.pdf) for more details.

### Grading Information

**Content Grading Rubric**

**High Score:** Excellent presentation with insightful, well-reasoned analysis and discussion that demonstrates a clear understanding of the reading(s), the issue(s) and the purpose of the assignment.

**Above Average Score:** Good presentation, with somewhat less consistency but clearly demonstrates an understanding of the assignment, the issue(s) and the reading(s).

**Average Score:** Adequate demonstration of basic understanding of the assignment, issue(s), and reading(s), but needs improvement. Ideas may be underdeveloped or writing may have serious grammar or APA-related issues.
**Failing Score:** The submission of incomplete work, or the inability to demonstrate an understanding of the assignment, reading(s) or issue(s). The inability of effectively, articulating an appropriate response to the assignment.

**Late Assignment Policy and Extra Credit**

All assignments are due on the specified due date and time, unless instructed otherwise. Submission of a late assignment will not be accepted for credit. As all assignments must be submitted to pass the course, late assignments without a legitimate reason will still be accepted; however, no credit (i.e., points) will be assigned. Generally I do not offer Extra credit options, however, if an opportunity comes up as a good extra credit option (e.g. Ann Lucas Lecture Series), I will provide the instructions and opportunity to all students.

**Classroom Protocol (Apply these concepts to this online course)**

1. Students are expected to: attend all class meetings, arrive on time, stay for the duration of the class period, complete all readings and assignments in accordance with the dates on the course schedule. Frequently showing up late to class and/or leaving early is a disruption, and a violation of the student code of conduct.

2. Students are responsible for all missed notes, materials and announcements due to absence (i.e., do not e-mail the instructor asking about what you missed). You are encouraged to exchange contact information with someone in class just in case.

3. Students are responsible to bring all course materials relevant to the course.

4. Be prepared to participate in discussions and take careful notes. Note: participation does not include simply occupying a seat, nodding, shaking one’s head, or simply repeating what someone else has already contributed. Substantive contributions that foster an atmosphere of open discussion conducive to learning constitutes participation.

5. Students may not record lectures without permission from the instructor.

6. Students caught sleeping during class (which is a distraction for other students) will be woken up, and promptly asked to leave class.

7. There will be no emailing, web-browsing, text messaging or sending of pictures/videos on cell phones, netbooks, laptops or other electronic devices during class—please do this on your own time. Students caught doing so will be asked to leave class, and will not be allowed to have their respective electronic devices present during class for the remainder of the semester.

8. Cell phone calls must be taken outside of the classroom, and only under emergency or special circumstances.

9. As a matter of courtesy, please turn off or silence the sound on all electronic devices that may make noise during class.

10. Just use common sense, be courteous and ready to learn. 😊
