Course Description

The focus of this course will be on the fundamental skills and knowledge necessary to safely and correctly play water polo. Prerequisite: Beginning level swimming proficiency.

Web Resource

Course materials may be found on the e-campus [Canvas learning management system](http://www.sjsu.edu/at/ec/canvas/) at <http://www.sjsu.edu/at/ec/canvas/>. You are responsible for regularly checking the Canvas discussion board and email for information and messages. Login using your mysjsu username and password. Links to USA, High School, and NCAA water polo rules and resources will also be provided through Canvas.

Course Goals and Student Learning Objectives

Following activities and assigned reading, students will be able to demonstrate through class activities/assignments, skills tests, and written exams:

- Knowledge of fundamental skills, technique, related to water polo.
- Proficiency in execution of the basic water polo skills covered.
- An understanding of the history, rules, strategies, current research, safety and etiquette associated with water polo.
- An understanding of the mental and physical health benefits to be derived from water polo.
- An appropriate level of proficiency in personal fitness as it relates to components such as cardiovascular endurance, muscular strength, and muscular endurance.

Activity Program Learning Outcomes

After completion of the physical activity graduation requirement, students shall be able to:

- Demonstrate proficiency in the execution of the motor/sport skills appropriate to the specific activities completed.
- Identify and/or explain the applicable history, rules, strategies, current research, safety, and etiquette related to the specific activities completed.
- Identify and/or explain the benefits of physical activity as related to physical and mental health.

Text/Readings

Required: USA Water Polo rule book (PDF format) from Canvas.

Course Notes

- Class protocol: Students are expected to arrive on time and participate fully in all activities throughout the class period. Appropriate swim suits for water polo activity are recommended, and thick-strap, one-piece swimsuits for women are required. Cell phones are to be turned off and left in backpacks for the duration of the class. Interactions with classmates and the instructor are expected to be respectful at all times.
- Recording class: Instruction may not be recorded. If classmates ask you to record their performance for later review make sure it is done before or after class rather than during class. Do not post or otherwise share the recording; act as though social media sites do not exist.
- Intellectual property: Course materials developed by the instructor (e.g., exam/quiz items, videos, lecture notes), are the instructor's intellectual property and cannot be shared or uploaded in any form publicly without the instructor's approval.
- If you have pre-existing medical or physical problems you should consult your physician before participating in this class and alert the instructor to any required limitations.
- Report any accidents to the instructor immediately.
- Places to practice: SPX 180 will be open during class and the skills can also be practiced in any pool that is at least five feet deep.
- Course grades will be posted on Canvas by the end of finals week.
- Students may make up two missed classes by writing a brief paper about significant points in water polo history.
- Written Exam(s) cannot be made up.
- Drop requests will not be accepted after the SJSU drop deadline.
- Outings/assignments completed for another class cannot be counted for this course and can be considered plagiarized material.
