Course Description
Practical experience in a high school with emphasis on physical education to satisfy certification requirements for off-campus or field-based programs.

Prerequisites
Concurrent Enrollment in KIN 178

Course Objectives
The student will
1. Gain insight into what it is like to teach high school physical education.
2. Assist with activities deemed appropriate by the mentor teacher under the direct supervision from the mentor teacher. (At NO TIME shall the field experience student teach a full lesson. At NO TIME shall the field experience student be unsupervised or responsible for the class being observed.)
3. Complete all field experience expectations

Course Format
This course is field-based.

Textbooks and other resources
1. A small spiral bound notebook or some other form to keep reflections of experience.

Evaluation
The assigning of a final grade is dependent upon successful completion of all requirements. Any assignments not completed will result in receiving a NC for this course.
- Verification from the mentor teacher that a MINIMUM of 20 hours of observations were made via the hourly log sheet.
- A journal of daily reflections. These journals should be brought to class (KIN 178) each day and will be checked periodically.
- Adherence to the Professional Expectations

NOTE: If, for any documented reason, a student is dismissed by the Mentor Teacher or University faculty supervisor from the on-site location, the student will not receive credit for the course.
Professional Expectations and Dispositions:

1. I will be professionally dressed every day in accordance with the school's faculty/staff dress code.
2. I will work under the direct supervision of the mentor teacher.
3. I will seek advice from the mentor teacher and university faculty with any questions and concerns I may have with this field experience.
4. I will call my mentor teacher if for an emergency I am not able to be at the school site when expected. Documentation is necessary.
5. I will assist and support my mentor teacher when necessary.
6. I will reflect on the lessons I observe every day and write an appropriate reflection after its completion.
8. I will be prompt and on time.
9. I will be prepared for each assignment/responsibility I am given at the school.
10. I will act and talk in a professional manner while at the on-site school.
11. I will find ways to be helpful/assist every day.
