Course Description

This course is designed to acquaint the students with the game of racquetball. Content area in this course will include rules, safety, appreciation of the game and introductory skill.

Web Resource

Course materials may be found on the e-campus [Canvas learning management system](http://www.sjsu.edu/at/ec/canvas/) at <http://www.sjsu.edu/at/ec/canvas/>. You are responsible for regularly checking the Canvas discussion board and email for information and messages. Login using your mysjsu username and password.

Course Goals and Student Learning Objectives

Following activities and assigned reading, students will be able to demonstrate through class activities/assignments, skill tests, and written exams,

- Knowledge of fundamental skills, technique, and basic tactics of racquetball.
- Proficiency in execution of the skills covered.
- An understanding of the history, rules, strategies, current research, safety and etiquette associated with racquetball.
- An understanding of the mental and physical health benefits to be derived from racquetball.
- An appropriate level of proficiency in personal fitness as it relates to components such as cardiovascular endurance, muscular strength and flexibility, body composition, balance, coordination, and agility.

Activity Program Learning Outcomes (CLO)

After completion of the physical activity graduation requirement, students shall be able to:

- Demonstrate proficiency in the execution of the motor/sport skills appropriate to the specific activities completed.
- Identify and/or explain the applicable history, rules, strategies, current research, safety, and etiquette related to the specific activities completed.
- Identify and/or explain the benefits of physical activity as related to physical and mental health.

Required Texts/Readings

Study the Official Rules published by the USA Racquetball Association, and short articles assigned in class.

Course Notes

- Class protocol: xStudents are expected to arrive on time and participate fully in all activities throughout the ENTIRE class period. Turn cell phone off and put away for the duration of the class. Interactions with classmates and the instructor are expected to be respectful at all times.
- Recording class: Instruction may not be recorded. If classmates ask you to record their performance for later review make sure it is done before or after class rather than during class. Do not post or otherwise share the recording.
- Intellectual property: Course materials developed by the instructor (e.g., exam/quiz items, videos, lecture notes), are the instructor’s intellectual property and cannot be shared or uploaded in any form publicly without the instructor’s approval.
- If you have pre-existing medical or physical problems you should consult your physician before participating in this class and alert the instructor to any required limitations.
- Report any accidents to the instructor immediately.
- Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally three hours per unit per week) for instruction, preparation/studying, or course related activities.
- Places to practice: The Sport Club is opened to students during normal school hours.
- Course grades will be posted on Canvas by the end of finals week.
- Students may make up some missing games. See instructor for details.
- Written Exam cannot be made up.
- Drop requests will not be accepted after the SJSU drop deadline.
- Outings/assignments completed for another class cannot be counted for this course.
