Class Meetings & location SPX107B

Prerequisites: none

Course Description

This course is focused on the development of fundamental table tennis skills, basic tactics, simple strategies, etiquette, rules, and their application of in single and double games.

Web Resource

Course materials (GAME RULES) may be found on WWW.ITTF.COM

Course Goals and Student Learning Objectives

Following activities and assigned reading, students will be able to demonstrate through class activities/assignments, skills tests, and written exams,

- Knowledge of fundamental skills, technique, *related to table tennis*
- Proficiency in execution of the *table tennis* skills covered.
- An understanding of the history, rules, strategies, current research, safety and etiquette associated with *table tennis*.
- An understanding of the mental and physical health benefits to be derived from *table tennis*.

Activity Program Learning Outcomes

After completion of the physical activity graduation requirement, students shall be able to:

- Demonstrate proficiency in the execution of the motor/sport skills appropriate to the specific activities completed.

- Identify and/or explain the applicable history, rules, strategies, current research, safety, and etiquette related to the specific activities completed.
- Identify and/or explain the benefits of physical activity as related to physical and mental health.

Text/Readings (optional textbook readings)

Course Notes

- Class protocol: Students are expected to arrive on time and participate fully in all activities throughout the class period. Turn cell phone off and put away for the duration of the class. Interactions with classmates and the instructor are expected to be respectful at all times.
- Recording class: Instruction may not be recorded. If classmates ask you to record their performance for later review make sure it is done before or after class rather than during class. Do not post or otherwise share the recording.
- Intellectual property: Course materials developed by the instructor (e.g., exam/quiz items, videos, lecture notes), are the instructor's intellectual property and cannot be shared or uploaded in any form publicly without the instructor's approval.
- If you have pre-existing medical or physical problems you should consult your physician before participating in this class and alert the instructor to any required limitations.
- Report any accidents to the instructor immediately.
- Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally three hours per unit per week) for instruction, preparation/studying, or course related activities.
- Places to practice: Open GYM
- Course grades will be posted by the end of finals week.
- Students may not make up in class tournaments
- Written Exam cannot be made up.
- Drop requests will not be accepted after the SJSU drop deadline.
- Outings/assignments completed for another class cannot be counted for this course.
