Course Description
Body Sculpting incorporates muscular endurance/toning and strengthening exercise and music to produce a training effect. The course is designed to improve overall fitness through toning muscles and improving muscular strength and endurance.

Course Goals
Following activities and assigned reading, students will be able to demonstrate through class activities/assignments, skills tests, and written exams:
• Knowledge of fundamental skills, technique and execution of exercises.
• Proficiency in execution of the skills covered.
• An understanding of the strategies, current research, safety and etiquette associated with muscular strength exercises and movements.
• An understanding of the mental and physical health benefits to be derived from muscular strength exercise
• An appropriate level of proficiency in personal fitness as it relates to components such as cardiovascular endurance, muscular strength and endurance, flexibility, body composition, balance, coordination, and agility.

Course Learning Outcomes
After successful completion of this course, students will be able to:
• Demonstrate increased knowledge in the strategies, current research, safety, and etiquette related to muscular strength exercises and movements.

**Required Textbook**

**Course Requirements and Assignments**
1. **Regular attendance** and **active participation** are **REQUIRED** to meet the course objectives.
   a. BE on time – class starts promptly at 35 min after the hr. You may lose points for being late to class and this may lower your grade, and you may even fail. Only students enrolled in the course will be allowed in the aerobics room during class time. You will pick up your cards in the first 5 min and sign and drop them off at the end of class before you leave
   b. If a serious illness or an accident occurs that requires an extended absence, the student should obtain a medical statement and withdraw from the class.
   c. It is the student’s responsibility to check with the instructor regarding content missed when absent.
   d. **2 non-participation days** are allowed during the semester
   e. **2 make-up days** are allowed during the semester
   f. **NO MAKE-UPS** for the **WRITTEN and PRE & POST TESTS**
2. Recognizable and acceptable effort in class participation, self-discipline. Interactions with classmates and the instructor are expected to be respectful.
3. Appropriate workout attire and footwear that are neat and clean (no open-toed shoes, no street clothes, no denim, no barefoot). Completion of participation cards (Leave cards with the instructor at the end of the class)
4. Completion of pre- and post-semester physical tests.
5. Completion of mid-term and final exam.
6. Assigned readings and assignments. Bring your textbook during lectures.

**Final Examination or Evaluation**

Classroom Protocol

- Recording class: Instruction may not be recorded.
- **WATER** is HIGHLY RECOMMENDED in plastic containers. **NO FOOD** is permitted. It is recommended that you bring a **TOWEL** to class.
- E-mailing the instructor is PREFERRED and BEST method of communication. Please feel free to e-mail me any time, I will try to respond as quickly as possible.
- Cell phones must be **turned off and put away** for the duration of the class.
- Intellectual Property: Course materials developed by the instructor (e.g., exam/quiz items, videos, lecture notes), are the instructor’s intellectual property and cannot be photographed, shared, or uploaded in any form publicly without the instructor’s approval.
- The photo is for help in identifying and getting to know you. **NOT** for physical scrutiny!
- Report any accidents to the instructor immediately.
- You can miss TWO days and not be penalized. You can MAKE-UP a third or fourth day of non-participation (except pre/post tests and written exams) by attending another section of cardiovascular fitness activity (such as another section of aerobics, step aerobics, cardio kickboxing, etc.) within the KIN department. You can NOT get extra credit (make-ups) for 5 or more “non-participation” days. If you are unclear on this policy, contact me for clarification.
- Students with a history of physical problems or who have been inactive for a long period of time are urged to have a comprehensive physical examination or receive medical clearance before beginning a vigorous exercise program. Aerobics is an ACTIVITY class that requires vigorous physical effort. Individuals who choose not to have a medical examination should be aware of the risks and understand that participation in this class is at their own risk.
- If you require course adaptations or accommodations due to special needs, or you have medical information the instructor should know, please notify the instructor as soon as possible, either in person, by phone, or by e-mail.
- It is the ultimate responsibility of the student to formally drop a class. You should not rely on the instructor to drop you from a class for non-attendance.
