Course Notes

- Class protocol: Students are expected to be on time and ready to go when class starts. Interactions with classmates and the instructor are expected to be respectful at all times. Students must be off their phones for safety reasons unless given permission from the professor. Students should check with Canvas periodically for announcements and other readings. Students must communicate with the professor in a timely manner of absences or other issues that will force critical days.
- Recording class: Instruction may not be recorded.
- Intellectual property: Course materials developed by the instructor (e.g., exam/quiz items, videos, lecture notes), are the instructor's intellectual property and cannot be shared or uploaded in any form publicly without the instructor's approval.
- If you have pre-existing medical or physical problems, you should consult your physician before participating in this class and alert the instructor to any required limitations.
- Report any accidents to the instructor immediately.
- Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally three hours per unit per week) for instruction, preparation/studying, or course related activities.
- Course grades will be posted on Canvas by the end of finals week.
- Drop requests will not be accepted after the SJSU drop deadline.
