Academic Integrity

Academic integrity statement (from SJSU Office of Judicial Affairs):

Your instructor will make every reasonable effort to foster honest academic conduct in her course. She will secure examinations and their answers so that students cannot have prior access to them and proctor examinations to prevent students from copying or exchanging information. She will be on the alert for plagiarism. “Your own commitment to learning, as evidenced by your enrollment at San José State University and the University’s Academic Integrity Policy requires you to be honest in all your academic course work.” Your instructor is required to report all infractions to the Office of Judicial Affairs. Students who are caught cheating will be reported to the Judicial Affairs Officer of the University, as prescribed by Academic Senate Policy S04-12. This policy can be found at <http://www2.sjsu.edu/senate/S04-12.pdf>.

The website for Student Conduct and Ethical Development is available at http://sa.sjsu.edu/judicial_affairs/index.html.

Instances of academic dishonesty will not be tolerated. Cheating on exams or plagiarism (presenting the work of another as your own, or the use of another person’s ideas without giving proper credit) will result in a failing grade and sanctions by the University. For this class, all assignments are to be completed by the individual student unless otherwise specified. If you would like to include in your assignment any material you have submitted, or plan to submit for another class, please note that SJSU’s Academic Policy F06-1 requires instructor approval.

Campus Compliance with the Americans with Disabilities Act

If you need course adaptations or accommodations because of a disability, or if your need to make special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. Presidential Directive 07-03 requires that students with disabilities requesting

accommodations must register with the Disability Resource Center (DRC) to establish a record of their disability. DRC website: <http://www.drc.sjsu.edu>
