### **Summary of Admission Requirements**

A student shall have completed a four-year college course of study and hold an acceptable baccalaureate degree from an accredited institution.

1. A minimum grade point average of at least 3.0 (A=4.0) in the last 60 semester (90 quarter) units.
2. A fully completed CSU Mentor Application, including the Statement of Purpose on the application.
3. A combined GRE General Test score of 900 (verbal plus quantitative).
4. Two letters of recommendation (sent directly to the graduate advisor)

### **International Students**

International students are encouraged to apply to the Graduate Sport Management Program. There have been a number of graduates from Taiwan, Japan, South Korea, China, and Brazil.

### **How to Apply?**

Rather than apply to the Kinesiology Department, you must apply directly through the CSU Mentor Application systems, although some components of your application will be sent to the Department.

Please go to the Kinesiology Department website and read ALL admission requirements
