

DEPARTMENT OF KINESIOLOGY

Please consider donating to the Department of Kinesiology! Why? Because your gift can provide the funding to meet our emerging programming needs and assist students with scholarships. A gift in any amount does make a difference and is tax deductible. Many businesses and corporations match personal gifts to educational institutions made by employees. Contact your company's personnel office for more information.

Right now, funds are urgently needed for the following:

- ◆ equipment for student use in labs
- ◆ scholarships and stipends for students
- ◆ travel for faculty to present their research at conferences
- ◆ international exchange opportunities

At times, the department accepts "gifts in kind" (such as equipment, supplies, materials, software, hardware) or sponsorship. We are currently looking for sponsorship for:

- ◆ the Alumni Newsletter (mailed to all graduates)
- ◆ T shirts for majors working on internships in public settings, such as parks

Please contact the Department Chair, Dr. Shirley Reekie at sreekie@kin.sjsu.edu or 408 924 3020 to discuss these opportunities.
