Grading Information

Determination of Grades

_This course must be passed with a C or better as an SJSU graduation requirement._

Students will be evaluated on class preparation and participation, assignments, tests and the final. The final grade is determined by the number of points earned from these areas. The total points earned will be divided by the total points possible for a final percentage. This class is not graded on a curve.

- **A:** Completes all parts of the assignment. Well-organized, well-developed, and displays a clear sense of audience and purpose. Uses business language appropriately, including APA citations when necessary. Adheres to the conventions of written business English. Meaningful participation and interaction with other students is present.

- **B:** Completes all parts of the assignment but may show some flaws in organization, development, sense of audience and purpose, or use of the conventions of written business English. Overall the assignment is well done with only minor corrections needed. Meaningful participation and interaction with other students is present.

- **C:** Completes all parts of the assignment but shows weakness in basic organization, development, sense of audience and purpose, or use of the conventions of written business English. The assignment needs correcting in more than one area. Participation with other students is absent.

- **D:** Fails to complete all parts of the assignment or shows egregious deficiencies in the use of business English. The assignment needs correcting in many areas. Participation and interaction with other students is absent.

Evaluating Written Assignments

In general, assignments will be evaluated on their effectiveness. In addition to the checklists provided in the textbook, the following guidelines will also be used to evaluate your assignments:

- Is the “you” attitude—courtesy and consideration for the audience—consistently present?
- Has all the necessary information—and only the necessary information—been included?
- Are grammar, punctuation, mechanics, and vocabulary correct?
- Is the format attractive and appropriate?
- Was the document submitted on time, as expected in the business world?

Notes:

- Final grades are final. Decimal point averages above a .5% will be rounded up (e.g., an 83.6% = 84%).
- Extra credit opportunities will be announced during the semester by your instructor.

1. **Using Canvas:** We will be using Canvas as a course depository, for online discussions, to keep track of grades, and to utilize plagiarism detection features. Log in at http://sjsu.instructure.com with your 9-digit SJSU ID and...
password you use for your SJSUOne account. I will periodically post class announcements on Canvas. **Again, the best way to contact me is through regular email at kaye.sanders@sjsu.edu, not Canvas.**

2. **Assignments:** Complete all written assignments with standards that reflect the workplace. This includes *promptness* (meeting due dates), *presentation of documents* (applying uniformity in formatting, margins, and font style), and *grammatical accuracy* (editing for grammar and mechanics). Maintaining academic integrity reflects business ethics in the work context.

3. **Due Dates:** Failure to submit assignments by due dates could affect a student’s grade. Emergencies should be communicated and documented to the instructor as soon as possible, and before a due date if possible – the key is to communicate with me early. **Any allowed make-up work must be submitted within two weeks of the original due date of the assignment, and allowed revisions must be submitted within two weeks of the return date of the original assignment.**

4. **Format:** All work should be typed, using appropriate format – standard 1” margins and 11- or 12-point Times New Roman (Arial or Tahoma) font. In general, letters and memos should be single-spaced with spacing in between paragraphs (block letter format). **All major assignments will require hard copy submissions; online submissions should be uploaded as .doc or .docx files.**
   - **Back-up Copies:** Save backup copies of your work on your hard drive or elsewhere. Technological reasons, such as computer crashes, problems with Internet access, or running out of ink are unacceptable reasons for late work.

5. **Feedback for Assignments:** After completing your assignments, be sure to read my feedback. This will help you perform better on your future assignments.

6. **Citing Sources:**
   You are required to use **APA citation style (pages 294 and 415-417 in the textbook)** for citing sources in your research. Other guides to applying APA style for reports will be provided. Although this class covers business writing, APA style is frequently used for academic assignments beyond English 1A and 1B.

7. **Grammar/Mechanics:**
   Errors in grammar, spelling, and punctuation can affect the overall flow of written communications. My grading regarding grammar will reflect the formality of final documents presented in the workplace. Students should have an understanding of basic business English grammar rules. These will not be covered extensively in the course. Students who need more practice and assistance with grammar should visit me during office hours, and also seek tutoring. See **Student Resources** information via Office of Graduate and Undergraduate Programs’ Syllabus Information web page at [http://www.sjsu.edu/gup/syllabusinfo/](http://www.sjsu.edu/gup/syllabusinfo/).

**Classroom Protocol**

Please come to class prepared. Cell phones should be in silent mode. Respect your classmates, even if their opinions and/or preferences are not aligned to your own. Attending class does not simply require your presence, but your active participation and engagement with the material. In a class capped at 25, individual conduct and participation are particularly noticeable.

**University Policies**

Per University Policy S16-9, university-wide policy information relevant to all courses, such as academic integrity, accommodations, etc. will be available on Office of Graduate and Undergraduate Programs’ Syllabus Information web page at [http://www.sjsu.edu/gup/syllabusinfo/](http://www.sjsu.edu/gup/syllabusinfo/)
