3. Fill in your User Details and click “Submit”

4. Click on the “Find classes open for registration” link
5. Check the box next to “CPE Practice Tests” and click “Register”

6. Click “Confirm”

7. Click the “CPE Practice Tests” link.

   Part 2 covers both Algebra and Trigonometry.

For the actual CPE, Part 1 will be 32 questions and Part 2 will be 25.

Students placing into Math 71 only need to take Part 1.

Students placing into Math 30 need to take both Parts 1 and 2.
