

SJSU MATHEMATICS DEPARTMENT 2009 PROBLEM SOLVING COMPETITION

The Competition will consist of two parts of four problems each. The problems will require mathematics typically covered in the first two years of the mathematics major.

The schedule is as follows:

PART A

Problems Posted	Monday, October 5 th , 9am
Solutions Due	Thursday, October 15 th , 4pm

PART B

Problems Posted	Monday, October 19 th , 9am
Solutions Due	Thursday, October 29 th , 4pm

Hard copies of the problems will be available at the Mathematics Office (MH 308), and e-copies will be posted on the Department's website <http://www.math.sjsu.edu>.

The Competition is open to all SJSU students. Unlike previous years, there will not be separate divisions for undergraduate and graduate students.

Winners of the Competition will receive some combination of handsome medals, outstanding mathematics books, and/or monetary prizes. Prizes may also be awarded for exceptional solutions of individual problems.

The Department hopes you will choose to participate!
