Course List for Current Semester with grades to date (fill in before visiting your Advisor):

List of Advised Courses for subsequent semester (fill out with the help of your Advisor):

I have or will have completed all prerequisites for the above courses prior to taking these courses. I will
NOT change the above schedule without advisor consultation. I understand that major forms are to be filed
10 months before graduation.

Student signature: _____________________________________

I have discussed the balance between work and school, the course load, and the need to balance one’s
schedule among the theoretical and the more applied math courses along with the GE courses. I believe that
the recommended courses form a reasonable schedule.

Advisor signature: ______________________________________

Return the completed form to the Math Department Office, MH 308.
