BEHAVIOR CONTRACT/DISCIPLINE POLICY
Summer in the City: Music at San José State

It is important that camp staff maintain good order and discipline during all rehearsals and classes.

Top objectives are safety and a positive atmosphere for learning and developing musicianship and social skills.

The camp staff will make every effort to help students understand clear definitions of acceptable and unacceptable behavior.

A student’s behavior is expected to be consistent with the following:
• Use appropriate language at all times.
• Cooperate with staff and follow directions.
• Respect other students and staff, equipment, facilities and him/herself.
• Maintain a positive attitude.
• Staying in designated areas on campus. Leaving these areas for any reason is not acceptable.

The Discipline Policy:
• If a student is unable to comply with the behavior expectations, one of the camp directors will hold a conference with the student. The parent(s)/guardian(s) will be notified by phone and in writing.
• If after the above meeting the student is still unable to comply with the behavior expectations, one of the camp directors will set up a time to speak with the parent(s)/guardian(s).
• The student will be subject to suspension or dismissal if the student’s behavior continues to be disruptive and/or unsafe.
• Failure of parent(s) or guardian(s) to attend the conference(s) and cooperate will subject the student to suspension or dismissal.

Behaviors which may result in immediate dismissal include but are not limited to:
• Any action that could threaten or pose a direct threat to the physical/emotional safety of the student, other students, or staff.
• Fighting.
• Possession of a weapon of any kind.
• Vandalism or destruction of state property or property of others.
• Sexual misconduct.
• Possession of or use of alcohol or tobacco products or controlled substances unless under the prescription of a doctor.
• Leaving campus without permission (by car or by foot).
• Failure to be in assigned housing at required times.

I have read, understand, and agree with the policies stated in this document and have discussed the expectations of behavior with my child.
